## NASSCO

### Inter-Department Memo

**DATE:** April 23, 2020  
**TO:** Distribution  
**SUBJECT:** COVID-19 Update for Employees  
**FROM:** NASSCO Communications

---

This afternoon, NASSCO was informed that an employee has tested presumptively positive for the coronavirus (COVID-19). This employee last worked on April 23, 2020 in SOC 6, 3<sup>rd</sup> shift.

Contact tracing is currently underway, and all individuals found to have been in close contact with this employee will be notified. All known areas this employee worked are in the process of being cleaned and disinfected.

As community testing for COVID becomes more accessible, we are seeing an increase in positive reports here. It is more important now than ever to wear your face coverings, distance yourselves, and wash your hands frequently. We will continue to do everything we can to minimize the spread of the virus, and we appreciate the cooperation from all employees in doing the same.

Please see our latest updates here: [www.NASSCO.com](http://www.NASSCO.com). NASSCO employees can text "NASSCO" to 877-789-8398 for updates via SMS.
