## NASSCO

### Inter-Department Memo

**DATE:** April 30, 2020  
**TO:** Distribution  
**SUBJECT:** COVID-19 Update for Employees  
**FROM:** NASSCO Communications

---

NASSCO has been informed of additional presumptive positive reports for the coronavirus (COVID-19). One employee last worked on April 24, 2020, at the Graving Dock. Another individual last worked on April 22, 2020, on the Bonhomme Richard. The last employee last worked on April 27, 2020 on TAO. Contact tracing and plans for cleaning and disinfecting are underway.

As a reminder, face coverings are a vital part to minimizing the spread of COVID-19. San Diego County released more information today regarding the upcoming mandate of face coverings. We will be communicating in the upcoming days, how this will impact our employees and guests.
